MEASURING YOUR FINGER DIRECTLY

1. Cut out the paper sizer below along the outline.
2. Wrap the strip around your finger, feeding the pointed end through the slit.
3. Pull it gently until it feels snug but comfortable, making sure it can slide over your knuckle.
4. Note the letter the arrow points to – this is your ring size.

Tip: Avoid pulling the paper too tightly, as this may give you a smaller measurement than your actual size
